SINCE 1996

1

SIMPLE SOLUTIONS TO EVERYDAY PROBLEMS.

Born out of true passion Cosmos Lube Technique (formerly known as Cosmos Technochem) was founded in 1996 to supply easy to use maintenance and repair products that were not available in India. They were quick to notice the gap in the market and brought Hypoxy, CRC and Castrol to meet the increasing demand of these chemicals. Since then, Cosmos has expanded to provide economical solutions of top quality to home, hardware, automotive, electrical, industrial, decorative and paint industries. Cosmos is leading the Indian market with its widest range of spray based products– Cosmos Paints, Cosmos Poxy, Cosmos Lac, artist range of Flame Paints of international standards manufactured in Greece, Italy, China & Thailand.

CONSISTENTLY EVOLVING TO PROVIDE QUALITY IMPROVEMENT SOLUTIONS.

Cosmos has now become a trusted name amongst large companies such as Adani Power Limited, Escorts Limited, Delhi Metro Rail Corporation Limited, etc., as we promise to continue providing value-for-money improvement solutions and service multiple industries.

"We believe in providing quick and practical solutions to every household and industry and induce a D.I.Y. culture in the country with best quality of products at affordable pricing."
